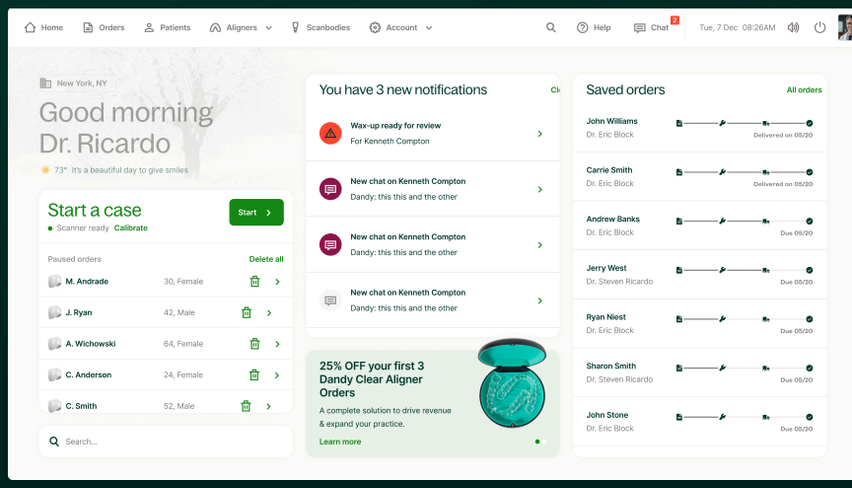
Dandy x Bupa 90-Day Pilot

Reduce operational friction and administrative burden with Dandy.



Experience the world's most advanced dental lab for 90 days. No long-term commitment needed.

How to get the most out of this pilot:

- ✓ Attend an in-person or virtual onboarding session
- ✓ Use the Dandy Portal to track, manage, and review orders
- ✓ Access Dandy Insights to get an overview of pilot performance
- ✓ Check in with clinicians to gather high-level feedback

Invoicing made easy

Our dashboard makes invoicing a simple and efficient process.

Get insights in Practice Portal

Gain visibility into order delivery dates, seamless communicate with the lab, scanner, manage payment, and more.

Real-time lab communication

Our team of clinical experts handle lab communication including live collaboration, fielding questions, and issue resolution.

Onsite and virtual training

No downtime needed. We handle hardware delivery and set up, then get your teams up to speed fast with free onboarding and CPD training.

Your dedicated team

Meet your contacts for training, clinical support, and pilot check-ins.
